## 2026 Resume

### Phone

+61 481 220 900

### Email

issy.ng@icloud.com

### Address

23 Mill Point Rd, South Perth

## About me

I'm a commerce student with hands-on experience creating AI Automations and Websites for SME's in Perth.

Spending time as an entrepreneur has given me a healthier relationship with discomfort, rejection, and failure. I've had ideas not land, calls go nowhere, and assumptions proven wrong. That process has made me more comfortable taking action, staying objective, and iterating without taking things personally.

## Skills

- Website creation
- AI Automations
- CRM & sales workflow Automations
- Outbound cold calling
- Problem discovery
- Communication

## Experience

**Feb 2026 – Present**
